They are exactly that. It makes my heart hurt hearing the fear in that lady's voice. All we want is to live free.

Colleges used to be the standard for open thought and discussion. Now you have to shut up and bend over or your are out.

In a world where CCP was allowed by our corrupt government to take over, those Antifa and BLM pussies would be screaming and crying for our help. They have no idea what oppression really is from sitting in their little bubbles and cry circles.

When there are that many bodies surrounding you, even that large bubba knew he need to GTFO of here. But when you are against a violent 'crowd', escalation of force is permissible from what I have read.

It is so hard to tell what the rule of law is anymore. They can be violent aggressive and burn shit.

But if I do it then I get arrested

I am a big cunt and if someone came up to me like that I would lay them out and I can see now because I am white and support President Trump I get prison time

The USA has brown shirts and is becoming a tool of the Chinese and communists..

Thanks Democrats

Exactly right, over the year 2020 we have seen who is allowed to burn and kill...and also we have seen who will be arrested to peacefully assembling (MAGA Patriots).

It is extremely sad that we cannot depend on the rule of law anymore. It is totally corrupt and undependable.

Jude 1:10 But these men revile the things which they do not understand; and the things which they know by instinct, **like unreasoning animals**, by these things they are destroyed.
